

**KID EASE NOTICE RE COVID-19 [CORONAVIRUS]  
Update Sunday 22<sup>nd</sup> March 2020**

**Partial Closure  
Parents' Childcare Requirements**

Good morning. Following last week's unprecedented events, I said I would update you all again once we had further information from the Government. As we continue into uncharted waters, I can confirm that our nurseries will remain open next week and for the foreseeable future. From Monday 23<sup>th</sup> March, we will only be open for those children with parents/carers who are key workers and have a crucial role to play in keeping the country moving, plus other specific groups. For a list of these key worker roles and other specific groups, please click on the link below.

Some of you may still require emergency childcare for a number of reasons and if this is the case please contact your nursery manager to discuss.

I am aware that today is Mothers' Day and you will be celebrating this. However, I will be very grateful if you would find a couple of minutes to complete the very brief form below and email it to [info@kidease.co.uk](mailto:info@kidease.co.uk) by 9am Monday 23<sup>rd</sup> March.

I also know there are still many questions to answer and so I will issue you with further updates regarding these questions over the next few days. In the meantime, I would appreciate it if you could wait for further updates before asking questions as right now our priority is to make arrangements for next week.

Our immediate responsibility is to ensure we continue to provide safe and secure childcare, can meet key workers' childcare requirements and of course focus on our staff's requirements.

Thank you.

Ian Atkey  
Managing Director
